I am wholeheartedly endorsing Tim Ramthun for Wisconsin Senate District 20. If you are in that area please consider helping him out any way you can. His primary is August 13th. Please help stick a fork in the likes of Robin Vos in Wisconsin.

I am wholeheartedly endorsing Phil Lyman for Utah Governor. Spencer Cox has to go. April 27th is his primary. Help him. This is the chance to turn Utah around.

We need both of these men to win in November. Full stop. Thank you.
